Dear Dr. Hockett:

I have forwarded a grant request for \$30,521 through the Research Foundation, Albany, and expect that it should be returned to you by July 15th. A copy of this request is enclosed. Since my current grant expires on September 31, 1973 and new grants are activated as of January 1, 1973, I would like to request that, if my proposal is funded, I receive an additional adjustment for the 3 months remaining in the year, or approximately \$7500 including overhead.

Thank you for your consideration of my request.

Sincerely,

Shirley L. Kauffman
